Main street.

Let. J. Meran's motion was lost, when further consideration was postponed until Tuesday evening next.

SPENCER & LYNCH. 160 Main. Our removal sale is now on. Jon't fail to supply yourself and family with footwear during our great removal sale, immense reductions on overything in the shoe line.

A line of sand A Closing them out, at Enows, Train & Woonners Co., 142 Main Street. When you call for mineral water on this side ask for luanua.

was handed in by the chairman. It was to the effect that a contract had been entered into with the Engle Sanitary and Cremation company for the building of a A One Hundred Thousand Pollar Incorpora orematory for the sum of \$18,000, with a capacity of 15,000 cubic yards of garbage per year. It provides that the crematory shall be constructed and in operation State Quarry company were yesterday within ninety days from date. The action of the mayor in making the

contract was approved. THE WATER RATES.

BLECTRIC PANS FOR THE COUNCIL. Foliand offered a resolution instructing the committee on improvements to put in a couple of electric fans in the council chamber to insure a more perfect ventilation. Adopted.

THE GAS ORDINANCE.

sible.

Hell thought the company should be met half way, at least, in an endeavor to put into operation a great industry here.

The ordinance was finally amcoded so that the maximum figure to be charged for gas is 30 cents per 1,000 cubic feet.

Moran then paralyzed Lawson by moving to strike out the first section.

Simondi—O, go back to Chicago. [Laughter.]

AMUSEMENTS.

"THE LOST PARTDISE." Business took a big jump at the theatre last evening, at least so it appeared below stairs, where the audience was both large and thoroughly representative. The play had a great reception, and the one great great removal sale.

Immense reductions on overything in the shoe line.
